PORTFOLIOS SURVEY

During the school year parents receive their child's portfolio of work for viewing.

These are samples of work and some tests are also included. Parents also get an opportunity to make written comments.

The Senior syndicate send these home at the end of Terms 2 (given out at interviews) and 4. The Middle syndicate at the end of Terms 1 and 3. The Junior syndicate at the end of Terms 1, 2 and 3.

We would like feedback about your thoughts about the portfolios. For example:

- Do you like the portfolio system?
- Are they of great value, reasonable or little value?
- Are there things some things they you see as unnecessary in them?
- Are there other things you'd like to see included in them?
- Comments about the frequency of them being sent home?

There are 2 ways to complete this survey:

- Complete the tear-off below and return to the school office, or
- Please paste this link onto your web browser –
